

To Whom It May Concern:,

Babcock-Bell Development is please to recommend Itasca Construction. Our latest project with Itasca Construction was a 74,000 sf facility in Tampa, Florida. We are very happy with the quality of construction, timeliness of the schedule, and the lack of problems.

Mike Ruble, Steve Dawkins, and Lou Spiegel were very easy to work with, always available and responsive to our needs. With our office being located outside of the Tampa Bay area, we relied heavily on Itasca Construction to look out for our best interest.

We look forward to working with Itasca construction on Future projects.
